## **Welcome Letter**

Welcome to Brush Mountain Farms. We welcome you to enjoy the quiet, peaceful, and tranquil lifestyle that BMF offers. We are a small community that is fortunate to be surrounded by beautiful terrain.

There are some exciting things in the works at BMF. One of which is the future animal preserve, Boone's Ridge Wildlife Park (formerly Appalachian Wildlife Center) nearby. You can find out more about what is happening in BMF by visiting our website at <https://www.brushmoutainfarmsky.com>. There you will find information about the annual HOA meeting, previous meetings minutes, governing documents including Covenants and By-Laws, annual dues, architectural guidelines, updates and much more.

We welcome your input and help as we continue to grow our community. Please reach out to your HOA Board anytime with questions or ideas. Our email is: [brushmountainfarmsky@yahoo.com](mailto:brushmountainfarmsky@yahoo.com).

Our current Board of Directors:

Jesse Burchett, President  
Michael Wilke, Treasurer
